

## **Junior Sixth Spanish Easter Revision**

1. **Oral exam:** Make sure that you have fully prepared your answers to all the questions likely to come up. See the information sheet on the website about the format of the exam to make sure that you know exactly what to expect at each stage. Use the Kerboodle website (see below for details).
2. **Vocabulary:** absolutely vital so revise as much as possible, mainly from your own notes, but supplemented also by the material on the Kerboodle site (see below for details).
3. **Listening:** try to keep this going via some websites such as <http://www.rtve.es/rne/envivo.htm>;  
<http://www.informesemanal.tve.es>;  
<http://www.bbc.co.uk/languages/spanish/news/>;  
<http://news.bbc.co.uk/hi/spanish/multimedia/video/>
4. **General reading:** anything at all (newspapers, magazines, internet, e.g. [www.20minutos.es](http://www.20minutos.es)).
5. **Kerboodle:** This is the online material attached to your coursebook. Go to <http://www.kerboodle.com/>. You will be asked for a username, password and organisation code. The organisation code is 8906. We would particularly recommend the Support and Assessment section, where you will find the Vocabulary Builder section and, in separate folders, sections entitled On Your Marks and Examiner's Tips. We would prefer you not to attempt the Examination-style questions as we shall use them in class, although you may like to look at the ones for the oral exam.

¡Que lo paséis bien!

P.S. A reminder that the exam dates are: -
