

## CITY OF LONDON SCHOOL

### City of London School

Queen Victoria Street, London EC4V 3AL

Telephone: 020 7489 0291 Fax: 020 7329 6887

#### TERMS AND CONDITIONS

---

#### A Introduction

1 **These Terms and Conditions** reflect the custom and practice of independent schools for many generations and they form the basis of a legal contract for educational services. The terms and conditions are intended to promote the education and welfare of each pupil and the stability, forward-planning, proper resourcing and development of the School.

2 **Our prospectus**, website and school cd-rom are not contractual documents. Please see **Section J** for further information.

3 **Fees & Notice:** The rules concerning fees and notice are of particular importance and are set out at **Sections H & I** below.

4 **Managing Change:** This School, as any other, is likely to undergo a number of changes during the time your child is a pupil here. Please see **Section J** for further details of the changes that may be made and the consultation and notice procedures that will apply.

5 **Documents referred to:** Before accepting the offer of a place, parents and pupils receive a copy of the School Pastoral Handbook and School Rules and Regulations. Parents also have an opportunity, on request, to see any of the other documents referred to in these Terms and Conditions. Please now refer to **Section J**. By accepting a place at the School you will be agreeing to the terms of these documents.

#### B Terminology

6 **"The School"/"We"/"Us"** means the City of London School as now or in the future constituted. The School is part of the City of London Corporation acting by its Governing Body.

7 **"Governing Body"/"Board of Governors"/"Governor/s"** means the Governors of the City of London School who are appointed from time to time by the City of London Corporation and who are responsible for governance of the School.

8 **"The Headmaster"** is responsible for the day-to-day running of the School and that expression includes those to whom any duties of the Headmaster or of the Governing Body have been delegated.

9 **"The Parents"/"You"** means any person who has signed the Acceptance Form and/or who has accepted responsibility for a child's attendance at this School. Parents are legally responsible, individually and jointly, for complying with their obligations under these terms and conditions. Those who have "parental responsibility" (i.e. legal responsibility for the child) are entitled to receive relevant information concerning the child unless a court order has been made to the contrary, or there are other reasons which justify withholding information to safeguard the interests and welfare and best interests of the child.

10 "The Pupil" is the child named on the Acceptance Form. The age of the Pupil will be calculated in accordance with UK custom.

## C Admission and Entry to the School

11 **Registration and Admission:** Applicants will be considered as candidates for admission and entry to the School when the Registration Form has been completed and returned to us and the non-returnable Registration Fee paid. Admission will be subject to the availability of a place and the Pupil and Parents satisfying the admission requirements at the time. "Admission" occurs when Parents accept the offer of a place. "Entry" is the date when a pupil attends the School for the first time under this contract.

12 **Equal Treatment:** The School is a mainstream, day school for boys aged 10-18 years. The School welcomes staff and children from many different ethnic groups, backgrounds and creeds. Human rights and freedoms are respected. At present, our physical facilities for the disabled are limited but we will do all that is reasonable to ensure that the School's culture, policies and procedures are made accessible to children who have disabilities and to comply with our legal and moral responsibilities under the *Special Educational Needs & Disability Act 2001* in order to accommodate the needs of applicants, pupils and members of the staff who have disabilities for which, after reasonable adjustments, we can cater adequately.

13 **Offer of a Place and Deposit:** A deposit ("Acceptance Deposit") will be payable when Parents accept the offer of a place. The amount payable will take into account any academic scholarship or means-tested awards. Two-thirds of the deposit is set against the first term's Fees and the remaining third will be repaid by means of a credit without interest to the final payment of Fees or other sums due to the School on leaving. Until credited, the deposit will form part of the general funds of the School. A deposit is not paid by parents on acceptance of a conditional place for Sixth Form entry.

## D Pastoral Care

14 **Meaning:** Pastoral care is a thread that runs throughout all aspects of life at this School and is directed towards the happiness, success, safety and welfare of each pupil and the integrity of the school community.

15 **Our Commitment:** We will do all that is reasonable to safeguard and promote your child's welfare and to provide pastoral care to at least the standard required by law in the particular circumstances and often to a much higher standard. We will respect your child's human rights and freedoms which must, however, be balanced with the lawful needs and rules of our school community and the rights and freedoms of others.

16 **Pupil's Rights:** A pupil of sufficient maturity and understanding has certain legal rights which the School must observe. These include the right to give or withhold consent in a variety of circumstances and certain rights of confidentiality and, usually, the right to have contact with both natural or adoptive parents. If a conflict of interests arises between the Parent and the Pupil, the rights of, and duties owed to, the Pupil will in most cases take precedence over the rights of, and duties owed to, the Parent.

17 **Headmaster's Authority:** The Parents authorise the Headmaster to take and/or authorise in good faith all decisions which the Headmaster considers on proper grounds will safeguard and promote the Pupil's welfare.

18 **Ethos:** The ethos of this School must be such as to foster good relationships between members of the staff, the pupils themselves and between members of the staff and pupils. Bullying, harassment, victimisation and discrimination will not be tolerated. The School and its staff will act fairly in relation to the pupils and parents and we expect the same of pupils and parents in relation to the School.

19 **Physical Contact:** The Parents give their consent to such physical contact as may accord with good practice and be appropriate and proper for teaching and instruction and for providing comfort to a pupil in distress or to maintain safety and good order, or in connection with the Pupil's health and welfare.

20 **Disclosures:** Parents must, as soon as possible, disclose to the School in confidence any known medical condition, health problem or allergy affecting the Pupil, any history of a learning difficulty on the part of the Pupil, or any family circumstances or court order which might affect the Pupil's welfare or happiness, or any concerns about the Pupil's safety.

21 **Confidentiality:** The Parents authorise the Headmaster to override their own and (so far as they are entitled to do so) the Pupil's rights of confidentiality, and to impart confidential information on a "need-to-know" basis where

necessary to safeguard or promote the Pupil's welfare or to avert a perceived risk of serious harm to the Pupil or to another person at the School. In some cases, teachers and other employees of the School may need to be informed of any particular vulnerability the Pupil may have. The School reserves the right to monitor the Pupil's e-mail communications and internet use.

22 **Leaving School Premises:** We will do all that is reasonable to ensure that your child remains in the care of the School during school hours but we cannot accept responsibility for a pupil who leaves school premises in breach of School Rules and School Regulations and we are not legally entitled to do so in the case of a pupil aged 16 years or over.

23 **Residence During Term Time:** Pupils are required during term time to live with a parent or legal guardian or with an education guardian acceptable to the School. The Headmaster must be notified in writing immediately if the Pupil will be residing during term time under the care of someone other than the Parent/s.

24 **Absence of Parents:** When both Parents will be absent from the Pupil's home overnight or for a twenty-four hour period or longer, the School must be told in writing the name, address and telephone number for twenty-four hour contact with the adult who will have the care of the Pupil.

25 **Education Guardians:** A pupil of any age whose Parents are resident outside the United Kingdom must have an education guardian in the United Kingdom who has been given legal authority to act on behalf of the Parents in all respects and to whom the School can apply for authorities when necessary. The School can accept no responsibility during exeats , half term or the holidays for pupils whose Parents are resident abroad and the Parents and guardians of such pupils must make holiday arrangements, including travel to and from the School, well in advance. The responsibility for choosing an appropriate education guardians rests solely with the Parents but the School may be able to assist, by providing Parents with the names of agencies or individuals who have acted as guardians in the past. Parents are responsible in each case for satisfying themselves as to the suitability of an education guardian.

26 **Photographs:** It is the custom and practice of most independent schools, and of this School, to include some photographs or images of pupils in the school's promotional material such as the prospectus and website. There may

also be occasions where the media wishes to take photographs of pupils for congratulatory or promotional purposes. We would not disclose the name of a child to be published with a photograph of them without the Parents' consent except as otherwise set out in the School's Pupil and Parent Data Protection Policy. Parents who do not want their child's photograph or image to appear in any of the School's promotional material, or be otherwise published, must make sure their child knows this and must write immediately to the Director of Staff Development to this effect requesting an acknowledgement of their letter.

27 **Transport:** The Parents consent to the Pupil travelling by any form of public transport and/or in a motor vehicle driven by a responsible adult who is duly licensed and insured to drive a vehicle of that type. If the Pupil wishes to travel to/from School by bicycle the Parents must provide the School with written permission for him to do so.

28 **Pupil's Personal Property:** Pupils are responsible for the security and safe use of all their personal property including money, mobile phones, watches, computers, calculators, musical instruments and sports equipment, and for property lent to them by the School.

29 **Insurance:** Parents are responsible for insurance of the Pupil's personal property whilst at school or on the way to and from school or any school-sponsored activity away from school premises. From time to time the School can, via its insurance brokers, offer other forms of insurance such as personal accident benefits or fee remission insurance, but the School does not accept a contractual duty to do so. Parents may obtain further information on application to the Finance Manager.

30 **Liability:** Unless negligent or guilty of some other wrongdoing causing injury, loss or damage, the School does not accept responsibility for accidental injury or other loss caused to the Pupil or Parents or for loss or damage to property.

## **E Health and Medical Matters**

31 **Medical Declaration:** Parents will be asked to complete a form of medical declaration concerning the Pupil's health and must inform the Headmaster in writing if the Pupil develops any known medical condition, health problem or allergy, or will be unable to take part in games or sporting activities, or has been in contact with infectious diseases.

- 32 **Pupil's Health:** The Headmaster may at any time require a medical opinion or certificate as to the Pupil's general health where the Headmaster considers that necessary as a matter of professional judgement in the interests of the child and/or the School. A pupil of sufficient age and maturity is entitled to insist on confidentiality which can nonetheless be overridden in the pupil's own interests or where necessary for the protection of other members of the school community.
- 33 **Medical Information:** Throughout a Pupil's time as a member of the School, the School Nurse shall have the right to disclose confidential information about the Pupil if considered to be in the Pupil's own interests or necessary for the protection of other members of the school community. Such information will be given and received on a confidential, "need-to-know" basis.
- 34 **Emergency Medical Treatment:** The Parents authorise the Headmaster to consent on behalf of the Parents to the Pupil's receiving emergency medical treatment including blood transfusions within the United Kingdom, general anaesthetic and operations under the National Health Service or at a private hospital where certified by an appropriately qualified person necessary for the Pupil's welfare and if the Parents cannot be contacted in time.
- F Educational Matters**
- 35 **Our Commitment:** Within the published range of the School's provision from time to time, we will do all that is reasonable to provide an educational environment and teaching of a range, standard and quality which is suitable for each pupil and to provide education to at least the standard required by law in the particular circumstances, and often to a much higher standard.
- 36 **Organisation:** We must reserve the right to organise the curriculum and its delivery in a way which, in the professional judgement of the Headmaster, is most appropriate to the school community as a whole. Our policy on streaming, setting and class sizes may change from year to year and from time to time and will depend mainly on the mixture of abilities and aptitudes among the pupils and may take into account management of friendship groups. Any parent who has specific requirements or concerns about any aspect of their child's education or progress should contact their child's Form Tutor, or any other appropriate member of staff, as soon as possible, or contact the Headmaster in the case of a grave concern.
- 37 **Progress Reports:** The School monitors the progress of each pupil and reports regularly to parents by means of grades, full written reports and parents evenings.
- 38 **Sex Education:** All pupils will receive health and life skills education appropriate to their age in accordance with the curriculum from time to time unless the Parents have given formal notice in writing that they do not wish their child to take part in this aspect of the curriculum.
- 39 **Public Examinations:** The Headmaster may, after consultation with a Parent and Pupil, decline to enter the Pupil's name for a public examination if, in the exercise of professional judgement, the Headmaster considers that by doing so the Pupil's prospects in other examinations would be impaired and/or if the Pupil has not prepared for the examination with sufficient diligence, for example, because the Pupil has not worked or revised in accordance with advice or instruction from the staff.
- 40 **Reports and References:** Information supplied to parents and others concerning the progress and character of a pupil, and about examination, further education and career prospects, and any references will be given conscientiously and with all due care and skill but otherwise without liability on the part of the School.
- 41 **Learning Difficulties:** The School will do all that is reasonable in the case of each pupil to detect and deal appropriately with a learning difficulty which amounts to a "special educational need". Our staff are not, however, qualified to make a medical diagnosis of conditions such as those commonly referred to as dyslexia, or of other learning difficulties.
- 42 **Screening for Learning Difficulties:** The screening tests available to schools are indicative only: they are not infallible. Parents will be notified if a screening test indicates that a pupil has a learning difficulty. A formal assessment can be arranged by the School at the Parents' expense or by the Parents themselves.
- 43 **Information about Learning Difficulties:** Parents must notify the Headmaster in writing if they are aware or suspect that their child has a learning difficulty and the Parents must provide us with copies of all written reports and other relevant information. Parents will be asked to withdraw the Pupil, without being charged Fees in lieu of notice if, in the professional judgement of the Headmaster and

after consultation with the Parents and with the Pupil (where appropriate), the School cannot provide adequately for a pupil's special educational needs.

44 **Moving up the School:** It is assumed that each Pupil who satisfies the relevant criteria at the time will progress through the School and will ultimately complete the Senior Sixth Year (Year 13). Parents will be consulted before the end of the Spring Term in the Fifth Form (Year 11) if there appears to be any reason why the pupil may be refused a place at the next stage of the School. **Parents must give a term's notice in writing** (i.e. before the start of the Summer Term in the Fifth Form **in accordance with the Provisions about Notice (in section H) if they do not intend their child to proceed to the next stage of the School, or a term's Fees in lieu of notice will be payable.**

45 **School's Intellectual Property:** The School reserves all rights and interest in any copyright, design right, registered design, patent or trademark ("intellectual property") arising as a result of the actions or work of a pupil in conjunction with any member of staff and/or other pupils at the School for a purpose associated with the School. The School will acknowledge and allow to be acknowledged the Pupil's role in creation/development of intellectual property.

46 **Pupil's Original Work:** Copyright in the Pupil's original work, such as classroom work, prep or homework, projects, internal examination scripts, paintings and computer generated material, belongs to the Pupil. Most such work (but not examination scripts) will be returned to the Pupil when it is no longer required for purposes of assessment or display. The Parents consent for themselves and (so far as they are entitled to do so) on behalf of the Pupil, to our retaining such work at school premises until, in our professional judgement, it is appropriate to release the work to the Pupil. Certain coursework may have to be retained for longer than other work in order to reduce the risk of cheating. We will take reasonable care to preserve the Pupil's work undamaged but cannot accept liability for loss or damage caused to this or any other property of the Pupil by factors outside the direct control of the Headmaster and staff.

47 **School Trips:** A variety of school trips, including educational visits, will be provided for your child while a pupil here. Parents will be informed, in writing, of any trip or off-site activity (usually through the School prospectus, the School Newsletter or a letter to

parents) unless the activity is a regular part of the curriculum. The School may require that Parents sign a consent form, (additional to the consent they have already given in the Acceptance Form) before the Pupil can participate in a trip or off-site activity. The cost of some school trips will be charged as an extra. However, trips which are compulsory, being part of the curriculum, are free of any charge. School trips abroad or those in the United Kingdom involving an overnight stay will be the subject of a separate agreement with Parents. The cost of the trip will be payable in advance. The Pupil is subject to school discipline in all respects whilst engaged in a school trip. All additional costs of special measures (such as medical costs, taxis, air fares, or professional advice) necessary to protect the Pupil's safety and welfare, or to respond to breaches of discipline, will be charged to Parents.

## **G Behaviour and Discipline**

48 **School Regime:** The Parents accept that the School will be run in accordance with the authorities delegated by the Governing Body to the Headmaster. The Headmaster is entitled to exercise a wide discretion in relation to the School's policies, rules and regime and will exercise those discretions in a reasonable and lawful manner, and with procedural fairness when the status of a pupil is at issue.

49 **Conduct and Attendance:** We attach importance to courtesy, integrity, good manners, good discipline and respect for the needs of others. Parents warrant that the Pupil will take a full part in the activities of the School, will attend each school day, will be punctual, will work hard, will be well-behaved and will comply with the School Rules about the wearing of uniform.

50 **School Rules:** The School Rules and School Regulations which apply are set out in the School Pastoral Handbook and other documents published from time to time. Parents and Pupils have an opportunity on request to see the current documents. Parents are requested to read these documents carefully with the Pupil before they accept the offer of a place.

51 **School Discipline:** The Parents hereby confirm that they accept the authority of the Headmaster and of other members of staff on the Headmaster's behalf to take all reasonable disciplinary or preventative action necessary to safeguard and promote the welfare of each pupil and the school community as a whole. The School's disciplinary policy which is

current at the time applies to all pupils when they are on school premises, or in the care of the School, or wearing school uniform, or otherwise representing or associated with the School,.

52 **Investigative Action:** A complaint or rumour of misconduct will be investigated. A pupil may be questioned and his accommodation or belongings may be searched in appropriate circumstances. All reasonable care will be taken to protect the Pupil's human rights and freedoms and to ensure that his Parents are informed as soon as reasonably practicable after it becomes clear that the Pupil will face formal disciplinary action, and also to make arrangements for the Pupil to be accompanied and assisted by a parent, education guardian or a teacher of the Pupil's choice.

53 **Procedural Fairness:** Investigation of a complaint which could lead to expulsion, removal or withdrawal of the Pupil in any of the circumstances explained below shall be carried out in a fair and unbiased manner. All reasonable efforts will be made to notify the Parents or education guardian so that they can attend a meeting with the Headmaster before a decision is taken in such a case. In the absence of a parent or an education guardian, the Pupil will be assisted by an adult (usually a teacher) of his choice.

54 **Divulging Information:** Except as required by law, the School and its staff shall not be required to divulge to Parents or others any confidential information or the identities of pupils or others who have given information which has led to the complaint or which the Headmaster has acquired during an investigation.

55 **Drugs & Alcohol:** A Pupil may be given the opportunity to provide a urine sample under medical supervision if involvement with drugs is suspected, or a sample of breath to test for alcohol consumed in breach of school discipline. A sample or test in these circumstances will not form part of the Pupil's permanent medical record.

56 **Terminology:** In these Terms and Conditions "**Suspension**" means that a pupil has been sent home for a limited period either as a disciplinary sanction or pending the outcome of an investigation or a Governors' Review. "**Withdrawal**" means that the Parents have withdrawn the Pupil from the School. "**Expulsion**" and "**Removal**" mean that the Pupil has been required to leave ("**asked to leave**") the School permanently in the circumstances described below. "**Exclusion**"

means that the Pupil may not return to School until arrears of Fees have been paid.

"Exclusion" may also be used as a general expression covering any or all of the other expressions defined in this clause.

57 **Sanctions:** The School's current policies on sanctions are available to Parents on request before they accept the offer of a place. These policies may undergo reasonable change from time to time but will not authorise any form of unlawful activity. Sanctions may include a requirement to undertake menial but not degrading tasks on behalf of the school or external community, detention for a reasonable period, withdrawal of privileges or suspension, or alternatively being removed or expelled.

58 **Expulsion:** A pupil may be formally expelled from the School if it is proved on the balance of probabilities that the Pupil has committed a very grave breach of school discipline or a serious criminal offence. Expulsion is reserved for the most serious breaches. The Headmaster shall act with procedural fairness in all such cases. Parents will be given a copy of the review procedure current at the time. The Headmaster's decision shall be subject to a Governors' Review if requested by a Parent. The Pupil shall remain away from school pending the outcome of the Review (see "Governors' Review" below).

59 **Fees after Expulsion:** If the Pupil is expelled, there will be no refund of the Acceptance Deposit or of Fees for the current or past terms. There will be no charge to fees in lieu of notice but all arrears of Fees and any other sum due to the School will be payable.

60 **Removal in other Circumstances:** Parents may be required, during or at the end of a term, to remove the Pupil, temporarily or permanently from the School if, after consultation with a Pupil and/or Parent, the Headmaster is of the opinion that by reason of the Pupil's conduct or progress, the Pupil is unwilling or unable to benefit sufficiently from the educational opportunities offered by the School, or if the Pupil or their Parent has treated the School, other pupils at the School or members of School staff unreasonably, including where such unreasonable behaviour affects or is likely to affect adversely the Pupil's or other pupils' progress at the School or the well-being of School staff or to bring the School into disrepute. In these circumstances, Parents may be permitted to withdraw the Pupil as an alternative to removal being required. The Headmaster shall act with procedural fairness in all such cases, and shall have regard to the interests of the Pupil and

Parents as well as those of the School (see "Governors' Review" below).

61 **Fees Following Removal:** If the Pupil is removed or withdrawn in the circumstances described above, the rules relating to Fees and the Acceptance Deposit shall be the same as for expulsion save that the remaining third of the Acceptance Deposit will be refunded in full without interest subject to any deductions and sums owing.

62 **Leaving Status:** The expression "leaving status" has reference to whether the Pupil has been expelled, removed or withdrawn, and to the record which will be entered in to the Pupil's file as to the reason for leaving, and the Pupil's status as a leaver, and the transfer of the Pupil's work to another educational establishment and to the nature of the reference which will be given in respect of the Pupil, and also to the financial aspects of the Pupil's leaving. These and any other relevant matters of leaving status will be discussed by the Headmaster with the Parents and, where appropriate with the Pupil, at the time of the Headmaster's decision.

63 **Governors' Review:** Parents may ask for a Governors' Review of a decision to expel or require the removal of a pupil from the School (but not a decision to suspend a pupil unless the suspension is for 11 school days or more, or would prevent the Pupil taking a public examination). **The request must be made as soon as possible and in any event within seven days of the decision being notified to the Parents.** Parents will be entitled to know the names of the Governors who make up the Review.

64 **Review Procedure:** The Headmaster will advise the Parents of the procedure (current at that time) under which such a review will be conducted by a panel of up to three Governors. If Parents request a Governors' Review, the Pupil will be suspended from School until the decision to expel or remove has been set aside or upheld. While suspended, the Pupil shall remain away from School and will have no right to enter school premises during that time without written permission from the Headmaster. A Governors' Review will be conducted under fair procedures in accordance with the requirements of natural justice.

## H Provisions About Notice

- see also section F "Moving up the School" and section G.

65 **Notice to be given by Parents** means (unless the contrary is stated in these terms and conditions) **a term's written notice addressed to and received by the Headmaster personally** or signed for by the Headmaster's deputy on the Headmaster's behalf. It is expected that Parents will consult with the Headmaster before giving notice to withdraw a Pupil.

66 **Provisional notice** is valid only for the term in which it is given and only when written and accepted in writing by the Headmaster personally or the Headmaster's deputy duly authorised for this purpose.

67 **Fees in lieu of notice** means Fees in full for the term of notice at the rate that would have applied had the Pupil attended and not limited to the parental contribution in the case of a scholarship, bursary or other award or concession.

68 **"A term's notice"** to be given by Parents means notice given before the first day of a term and expiring at the end of that term. A term's notice must be given **in writing** if Parents **wish to cancel a place** which they have accepted, or if Parents **wish to withdraw a pupil** who has entered the School; or if, following the GCSE year or AS Level year, **the Pupil will not return for the following year** even if he has achieved the required grades; or **the Pupil wishes to discontinue extra tuition** (e.g. musical instrument lessons).

69 **Cancelling Acceptance:** The cancellation of a place which has been accepted is normally a breach of contract which can cause long term loss to the School if it occurs after other families have taken their decisions about schooling for their children. If the Parents cancel their acceptance of a place less than a term before the entry date or the Pupil does not join the School after a place has been accepted and not cancelled, a term's Fees will be payable and the Acceptance Deposit will be credited to the account. Parents who cancel acceptance on more than a full term's notice before entry will not be required to pay Fees in lieu of notice but the Acceptance Deposit will be retained by the School. Cases of serious illness or genuine hardship may receive special consideration on written request.

70 **Withdrawal by Parents:** If a pupil is withdrawn on less than a term's notice, or excluded for more than twenty-eight days for non-payment of Fees, Fees in lieu of notice will be immediately due and payable as a debt at the rate applicable to the term in question. The charge of a term's Fees represents a

genuine pre-estimate of the School's loss in these circumstances, and sometimes the actual loss to the School will be much greater. This rule is necessary to promote stability and the School's ability to plan its staffing and other resources.

71 **Prior Consultation:** It is expected that a parent or duly authorised education guardian will in every case consult personally with the Headmaster or with the Headmaster's authorised Deputy before notice of withdrawal is given.

72 **Withdrawal by Pupil:** The Pupil's decision to withdraw from the School shall, for these purposes, be treated as a withdrawal by the Parents.

73 **Discontinuing Extras:** A term's written notice is required to discontinue extra tuition or a term's Fees for the extra tuition will be immediately payable in lieu as a debt. Half a term's written notice is required to discontinue school lunches.

74 **Termination by the School:** The School may terminate this agreement **on one term's written notice sent by ordinary post or on less than one term's notice in a case involving expulsion or required removal.** The School would not terminate the contract without good cause and full consultation with Parents and also the Pupil (if of sufficient maturity and understanding), and would offer the Parents a Governors' Review of a decision to terminate. The remaining third of the Acceptance Deposit would be refunded without interest less any outstanding balance of the account.

## I Fees

75 **Meaning:** "Fee" and "Fees" where used in these terms and conditions include each of the following charges where applicable: **Registration Fee; Acceptance Deposit; Tuition Fees; Fees for extra tuition; other extras** such as examination fees, clothing and equipment, photographs, school lunches and other items ordered by the Parent or the Pupil and **charges arising in respect of school trips**, and **damage** where the Pupil alone or with others has caused wilful loss or damage to school property or the property of any other person (fair wear and tear excluded) and **late payment charges** if incurred.

76 **Payment:** The Parents undertake to pay the Fees applicable in each school year. Fees are due and payable before the commencement of the school term to which they relate. If one or

more items on the bill are under query, the balance of the bill must be paid.

77 **Refund/Waiver:** Fees will not be refunded or waived for absence through sickness; or if a term is shortened or a vacation extended; or if a pupil is given an approval for absence by the Headmaster (or the Headmaster's deputy) after public examinations or otherwise before the normal end of term (provided that the School remains open to a pupil who wishes to attend school during that period); or for any cause other than exceptionally and at the sole discretion of the Headmaster in a case of genuine hardship or where there is a legal liability under a court order or under the provisions of this contract to make a refund. This rule is necessary so that the School can properly budget for its own expenditure and to ensure that the cost of individual default does not fall on other parents. Separate rules (set out in **Section G** above) apply when a pupil is expelled or removed, i.e. asked to leave.

78 **Exclusion for Non-Payment:** The right is reserved on 3 days written notice to exclude a pupil while Fees are unpaid. Exclusion on these grounds is not a disciplinary matter and the right to a Governors' Review will not normally arise but the Chairman of Governors has discretion if thought fit to authorise a review of the documentary evidence with or without a formal meeting with the Parents. The School may also withhold any information, character references or property while Fees are unpaid but will not do so in a way that would cause direct, identifiable and unfair prejudice to the legitimate rights and interests of the pupil. **A pupil who has been excluded at any time when fees are unpaid will be deemed withdrawn without notice** twenty-eight days after exclusion. (Then a term's Fees in lieu of notice will be payable in accordance with the **Provisions about Notice in Section H.**)

79 **Late Payment:** Simple interest may be charged on a day-to-day basis on Fees which are unpaid. The rate of interest charged will be at up to 1.5% per month which is a genuine pre-estimate of the cost to the School of a default. Cheques and other instruments delivered at any time after the first day of term will be presented immediately and will not be considered as payment until cleared. Returned cheques or failed direct debits will incur an additional charge to cover the extra administration costs.

80 **Part Payment:** Any sum tendered that is less than the sum due and owing may be accepted by the School on account only. Late payment

charges will be applied to any unpaid balance of Fees.

- 81 **Appropriation:** The Parents agree that a payment made in respect of one child may be appropriated by the School to the unpaid account of any other child of those Parents.
- 82 **Payment of Fees by a Third Party:** An agreement with a third party (such as a grandparent) to pay the Fees or any other sum due to the School does not release the Parents from liability if the third party defaults and does not affect the operation of any other of these terms and conditions unless an express release has been given in writing, signed by the Headmaster. The School reserves the right to refuse a payment from a third party.
- 83 **Instalment Arrangements:** An agreement by the School to accept payment of current and/or past Fees by instalments is concessionary and will cease automatically in the event of any default for thirty days or more. On ceasing, the full amount of Fees then due shall be payable forthwith as a debt and interest will start to accrue at the rate for Late Payment (see above). Fees received under an instalment arrangement shall be deemed to have been paid in nine instalments appropriated as to three instalments each term. The payments in respect of each term shall be deemed a separate credit agreement from the payments for each other term.
- 84 **Scholarships & Bursaries:** Every scholarship, sponsored award, bursary or other award or concession is a privilege and is subject to high standards of attendance, diligence and behaviour on the Pupil's part and to the Parents' treating the School and our staff reasonably. The terms on which such awards are offered and accepted will be notified to Parents at the time of offer. The value of a scholarship shall be deducted from Fees before any bursary or other concession is calculated or assessed.
- 85 **Fee Increases:** Fees are reviewed annually and are subject to increase from time to time. If less than a term's notice is given of a fee increase greater than 8%, notice of withdrawal given within 21 days after notice of the increase was received will not incur a term's fees in lieu of notice.
- 86 **Money Laundering:** Legislation requires the School, in some circumstances, to obtain satisfactory evidence (such as sight of a passport) of the identity of a person who is paying Fees.

## J General Contractual Matters

- 87 **Management:** It is our intention that the terms and conditions will always be operated so as to achieve a balance of fairness between the rights and needs of parents and pupils, and those of the school community as a whole. We aim to ensure that the School, its culture, ethos and resources are properly managed so that the School, its services and facilities can develop. We aim also to promote good order and discipline throughout our school community and to ensure compliance with the law.
- 88 **Legal Contract:** The offer of a place and its acceptance by the Parents give rise to a legally binding contract on the terms of these Terms and Conditions.
- 89 **Change:** This School, as any other, is likely to undergo a number of changes during the time your child is here. For example, there may be changes in the staff, and in the premises, facilities and their use, in the curriculum and the size and composition of classes, and in the School Rules and Regulations, the disciplinary framework, and the length of school terms. Fee levels will be reviewed each year and there will be reasonable increases from time to time.
- 90 **Consultation:** It is not practicable to consult with parents and pupils over every change that may take place. Whenever practicable, however, parents will be consulted and given at least a term's notice of a change of policy or a change in any physical aspect of the School which would have a significant effect on their child's education or pastoral care. For example, notice would be given of a proposal to remove a subject from the curriculum.
- 91 **Representations:** Our prospectus, website and School cd-rom describe the broad principles on which the School is presently run and gives an indication of our history and ethos. Although believed correct at the time of publication, the prospectus, website and school cd-rom are not part of any agreement between the Parents and the School. **Parents wishing to place specific reliance on a matter contained in the prospectus, website, cd-rom, or a statement made by a member of staff or a pupil during the course of a conducted tour of the School or a related meeting should seek written confirmation of that matter before entering this agreement.**
- 92 **Complaints:** A complaint about any matter of School policy or administration not involving a decision to expel or remove a pupil must be made in accordance with the School's

published complaints procedures, a copy of which are available on request. Every reasonable complaint shall receive fair and proper consideration and a timely response. Any such question, concern or complaint must be notified immediately to your child's Form Tutor or in the case of a grave concern must be notified in writing to the Headmaster and/or by telephone and fax in a case of emergency.

93 **Third Party Rights:** Only the School and the Parents are parties to this contract. The Pupil is not a party to it. The acts and omissions of Parents are binding on the Pupil and vice versa as to any matter of behaviour, discipline and Fees. All requests and authorities by the

Parents are treated as being made on behalf of the Pupil and vice versa.

94 **Interpretation:** These terms and conditions supersede those previously in force and will be construed as a whole. Headings, unless required to make sense of the immediate context, are for ease of reading only and are not otherwise part of the Terms and Conditions. Examples given in these Terms and Conditions are by way of illustration only and are not exhaustive.

95 **Jurisdiction:** This contract was made at the School and is governed exclusively by English law.

**Proprietor: The City of London Corporation**
