

Junior 6th Oxbridge Forum

This will take place on Thursday April 22nd at 16:10 in the Asquith room. Any boy who is interested in applying to Oxbridge should attend this event. Several former City boys who are currently studying at Oxbridge will be present and this will be your opportunity to ask them questions at firsthand about the application process and any aspect of academic and social life at Oxbridge. It always proves a highly informative occasion so make sure you attend.

Gary Liu	J6RGP	9.50	2
Joshua Lew	J6RSB	10.30	3
John Sinden	J6RSB	11.30	4
Edward Stroud	J6RSB	12.10	5
Benjamin Wu	J6RSB	2.00	6
Michael Huynh	J6PCM	2.40	7

Aardvark Israel Gap Year Programme

This is a 9-month programme in Israel that combines *immersion* into Israeli Society, *service* to the community through volunteer work and internships, and *learning* about Israel and Judaism through both formal academic and informal educational encounters. The programme includes two semesters - one in Tel Aviv and one in Jerusalem – and is rich in education, trips seminars and much more.

In addition, Aardvark Israel presents **four world travel options** to students as an add-on to the Core Program. Itineraries are designed to give students a relevant Jewish experience while exploring the country and community's relationship to Israel, while also visiting the most popular tourist destinations in each country:

Kenya Safari – See lions, leopards and elephants on Safari in Kenya. **Italy** – Explore thousands of years of western and Jewish history in Rome and Venice. **Bulgaria Ski Retreat** – Bundle up for great winter sports, wineries and majestic mountain-top views. **Tunisia** - A fascinating blend of Arabic, French, and African cultures, will captivate students as they learn about this Arab country.

For more details contact simon@aardvarkisrael.com and find them on the web at www.aardvarkisrael.co.uk

Brevan Howard Asset Management LLP

4 summer internships are available for Junior 6th pupils. Application packs are with us and need to be completed before Easter. If you are interested in applying, please **register your name with Miss Read in the Careers Centre immediately!**

Imperial College Outreach events for school students 2010

Details of summer schools, practical science activities, demonstration lectures, open days, mentoring programmes and school visits for pre university students at Imperial College London in 2010 are now available from website www.imperial.ac.uk/outreach

You can also click [this link](#) for a A4 printable version of their booklet.

Thinking of studying **Science or Politics?** How about a career which combines the two?

Professor Bernard Silverman, an Old Citizen, has recently been appointed as the Government Chief Scientific Officer. Prof Silverman has kindly agreed to talk to the 6th Form at School (Asquith Room) at **4.10pm, Tuesday 18th May**.

Don't miss it – pop it into your diary now!
