Erasmus

Erasmus is for higher education students in all subject areas who would like to study or do a work placement for three to twelve months as part of their degree in one of 30 or other European countries. It is the European Commission's flagship exchange programme and is managed in the United Kingdom by the British Council. If you are interested in this programme, would like some further information and would like to make a University application with this in mind, please refer to the Careers Department / AJB.

LNAT

If you are applying for a degree in Law which requires you to take the LNAT exam, you will receive this week a What to do when flyer via your form tutor with key dates for the application process. Please keep your eyes open for it and ask your form tutor if you would like a copy.

TASTER COURSES Universities in London

There are still places available on many taster courses taking place this summer at universities in London between June – August 2010. If you are undecided about if, where or what to study at university, then definitely consider taking advantage of this invaluable opportunity and apply to one or more of the taster courses below. All these university taster courses are free for students to attend. Listed by subject area below, you can find all our taster courses with places still available. A full list of taster courses can be found on website www.london.ac.uk/tasters. Places are limited and are allocated on a first-come first-served basis. To apply to a course, students should follow the link below which corresponds to that course and complete the online application form.
