

#### 4<sup>th</sup> Form Russian revision information

To score full marks in the exam you will need to revise thoroughly case endings of nouns and adjectives. See your notes, plus pages 139-141 of Ruslan 2. You will also need to have a solid grasp of the vocabulary we have covered this year. Your vocabulary book should be the best tool for this. You are strongly recommended also to look over all your test corrections for the year, as one important part of the exam will consist of sentences for translation.
